## **Agenda Item No. 1: Confirmation of the Minutes of 27<sup>th</sup> meeting held on April 21, 2012.**

No comments were received on the circulated minutes. Therefore, the Minutes, as circulated, were confirmed.

## **Agenda Item No. 2: Announcements, if any, by the chairman.**

- **Joining of the Director designate:** The Chairman announced that Prof. S S Gokhale will be taking over charge as Director of the Institute w.e.f. July 01, 2012.
- **New appointments:** The interview for the post of TPO has been held on June 11, 2012 and a suitable candidate has been identified. He may be offered the position after salary negotiation.
- **Faculty Recruitment:** For the first time the Institute initiated a comprehensive exercise, to fill up faculty position at different levels, spanning all disciplines. A News Paper advertisement was issued and the response received has been encouraging. 615 applications in all have been received. In view of urgency five candidates, short-listed for the position of Assistant Professor in CSE discipline, were called for presentation.
- **Faculty on leave:** Mr. Gaurav Somani, Lecturer, has been allowed 6 month leave without pay, to take-up a teaching position as Assistant Professor. in the Central University Rajasthan.
- **Progress on Infrastructure projects:** The milestones set to be achieved on the infrastructure development, as reported, are given below:
  - **3<sup>rd</sup> Boys' Hostel:** ground +2 floors will be ready for occupation by July 15, 2012. This facility will accommodate 150 students.
  - **Lecture Halls:** 2 large lecture halls of 200 seating capacity (each) will be ready to take for use by July 15, 2012.
  - **Second Students' Mess:** will be ready to take for use by July end.

- **Status of UG Admissions 2012:** It is heartening that for the Admission Year 2012, more number of applications than the previous year have been received. The Institute now is working out the algorithm for seat allotment in various disciplines and sending offer letters to the eligible candidates, on the basis of counseling to be held between July 02 – July 07, 2012.
  
- **Status of PG Admission 2012:** The response this year has been encouraging and has surpassed the previous years' figures. In all, 760 applications for PG admissions have been received and this reflects increasing interest of students in the institute PG programme. The PG admissions, besides taking into consideration the marks/grade obtained in the preceding degree or the grade score obtained in GATE, will be based on the basis of result of written test and interview. The total number of fellowships as approved by GC is 30 for LNM Scholar/Ph. D. Scholars and another 30 for MS / M. Tech students. Only vacant / available number of scholarships will be given to the admitted students and no extra commitment of admissions without fellowship be entertained.

**Agenda Item No. 3: Report on action taken on the decisions of the 27<sup>th</sup> meeting held on April 21, 2012 and earlier meetings of the Academic Council.**

The Council noted that it has been apprised of the progress on Infrastructure Projects by the Chairman in his announcements. The Council observed that the EPC should meet early, so that its recommendation could be discussed in the next meeting of the Governing Council, likely to be held in July 2012. The Council noted actions pending on other items and was informed that the exercise of constitutions of committees will be completed by July 18, 2012.

**Agenda Item No. 4: To recommend award of UG Degrees for the forthcoming Convocation.**

The Council accepted the recommendation of AC UGC for award of degrees to UG Students and recommended the same to the Governing Council for approval. The list of candidates eligible for award of B. Tech degrees is placed at Annexure-I.

Pending award of original degrees in the next Convocation, the Council directed that Provisional Degree Certificates to successful candidates be issued now.

The Council further agreed with recommendation of AC-UGC and ruled that out of five candidates, not recommended for award of degrees now, three could be eligible to receive their degrees in the next convocation, after their final grades are received. Accordingly, the Council authorized the Registrar to issue the Provisional Degree Certificates in respect of the following three candidates, once their grades are made available and the approval of the Chairman is obtained. The completed action should be reported in the next meeting of the AC.

**Agenda Item No. 5: To recommend award of PG Degree for the forthcoming Convocation.**

The Council expressed its dissatisfaction over the due process not followed in the defence of the thesis. The Council observed that academic merit of the process adopted should conform to academic merit. Based on the opinion expressed by members present and the understanding that the process adopted is at variance with best practices in the country, the student, in question, has to appear for open defence, in which faculty of CSE department and other allied disciplines should be present.

The council noted that provision open seminar / defence is not included in the present PG Manual approved by the AC and ruled in favour of open defence. An open defence having

participation of AC members of other disciplines and scholars be the standard practice and the PG Manual be modified to that extent.

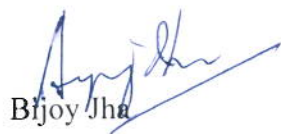

**Agenda Item No. 6: To note the semester leave granted to undergraduate students during 2011-12, 2<sup>nd</sup> Semester (Jan 12 – June 12).**

While noting the Semester leave granted in the previous semester, the AC expressed serious concern over the way semester leaves have been allowed without adherence to proper and detailed documentation in each case. The Academic Council desired that in future, all such requests for semester leave requests / approval be well documented by the registry. The AC opined that the observation of Chairman, as recorded in the agenda itself, stands and be strictly adhered to, in future.

Arising out of discussion, some of the members present expressed the view that over successive years, in past, the Institute has been offering Mathematics & IT as well as Engineering Physics programmes for UG admissions, where hardly anyone opts for these two programmes and hence inclusion of these two course in future may need a re-look.

The Academic Council expressed the view that the issue needs a critical examination as to the objectivity of inclusion of these two courses.

There being no other item on the agenda, the meeting ended with the thanks to the chair.
